Where We Are Regarding the Need for New Air Conditioning Unit

So far the contributions toward this need come to \$2,845. The cost of the unit will be around \$7,000. (Had we used a contractor, the unit would have been about \$25,000.) Some of our church members will begin soon the labor in preparation for the installation of the unit; therefore, if you have not yet given and plan to do so, we encourage you to do so. If you want to make a donation to help with this need, you can make out your check to "Pleasant View Baptist Church," place it in an envelope, and mark on it "air conditioner unit." Any amount you contribute would be helpful since this is an expense we had not counted on as a church. See George Wilkie to volunteer to help with this project or for more details.
