The Sunday Bad-weather Day and Other Things Related to 2018 Contributions

We all know that we needed to cancel services for December 9 due to the weather; of course, that meant that our church did not receive any tithes and offering that week. As we are closing out one year and about to begin a new one, I want to remind us of how God uses our faithfulness in tithes and offerings to Him. Our obedience to Him in this area is one of the most important means by which He works to keep our church in the financially healthy condition He desires for her to be.

Also, as we come closer to the end of the year, remember that contributions must be in by today to receive 2018 contribution credit.

Where We Are Regarding the Need for New Air Conditioning Unit

So far the contributions toward this need come to $3,600. The cost of the unit will be around $7,000. (Had we used a contractor, the unit would have been about $25,000.) Some of our church members will begin soon the labor in preparation for the installation of the unit; therefore, if you have not yet given and plan to do so, we encourage you to do so. If you want to make a donation to help with this need, you can make out your check to "Pleasant View Baptist Church," place it in an envelope, and mark on it "air conditioner unit." Any amount you contribute would be helpful since this is an expense we had not counted on as a church. See George Wilkie to volunteer to help with this project or for more details.
