**Where We Are Regarding the Need for
New Air Conditioning Unit**

So far the contributions toward this need come
to \$4,160. The cost of the unit will be around
\$7,000. (Had we used a contractor, the unit
would have been about \$25,000.) Some of our
church members have begun the labor in
preparation for the installation of the unit;
therefore, if you have not yet given and plan to
do so, we encourage you to do so. If you want
to make a donation to help with this need, you
can make out your check to "Pleasant View
Baptist Church," place it in an envelope, and
mark on it "air conditioner unit." Any amount
you contribute would be helpful since this is an
expense we had not counted on as a church.
See George Wilkie to volunteer to help with this
project or for more details.
