**Where We Are Regarding the Need for
New Air Conditioning Unit**

So far the contributions toward this need come to \$4,160. The cost of the unit will be around \$7,000. (Had we used a contractor, the unit would have been about \$25,000.) Some of our church members have begun the labor in preparation for the installation of the unit; therefore, if you have not yet given and plan to do so, we encourage you to do so. If you want to make a donation to help with this need, you can make out your check to "Pleasant View Baptist Church," place it in an envelope, and mark on it "air conditioner unit." Any amount you contribute would be helpful since this is an expense we had not counted on as a church. See George Wilkie to volunteer to help with this project or for more details.

Worship Service Recordings

Just a reminder that video recordings of our worship services are available online at www.pvbcministries.org. Also, audio recordings are available upon request. See Ty Standridge.
