Children's Ministry Summer Schedule (Pick up a copy in the Information centers.)

This summer children, K5-5th grade, will be learning about the importance of serving on Wednesday nights from 6:30-7:30 pm, and on Tuesday mornings children will have the opportunity to serve in a variety of ways within the church and community. Please check the bulletin weekly for these service opportunities and for any details you and your child may need to know for each week.

Tuesday, June 11th from 9am-12pm

This week children will have the opportunity to serve in our church by cleaning and organizing the preschool and children's areas. We will also be going to swim at the Taylor's home, so please have your child bring or wear their swimsuits and please have them bring a towel and sunscreen.

More Details on the Air Conditioning Units

As this is being typed, we have collected \$9,578 toward that roughly \$10,000 that was needed for the expenses toward purchasing the new air conditioning units. Just so you will know everything in terms of the expenses, however, I have learned of an additional expense associated with our needing to get a sheet metal guy to make the transition duct that will need to be installed. The good news again here is that God guided our committee to a Christian man who is just trying to cover his costs as he helps us as a church with this need.

As you can see, most of the cost has already been covered by your generous contributions. If you still desire to contribute, you can do so by making out a check to "Pleasant View Baptist Church," placing it in an envelope, and marking on it "for A/C unit."

Again, we are grateful to those who have contributed thus far; also, we are grateful for the ingenuity and work of our men; without their availability, the cost of this project would have been over \$25,000 – and that is only for the cost of one unit, not including the cost of getting the additional one as well.
