Remember in Prayer

July 12, 2020

Please call the church office, 226-1248, to help keep the prayer list updated by adding and deleting names as needed. Names will be left on list for two weeks unless notified otherwise. Use this list as a reminder of individuals whom God would have you to pray for or contact.

1. **See separate prayer list entitled "Coronavirus-related praying".**
2. **All military personnel serving in foreign lands and at home.**
3. **Coby Goldstein** (2-year-old son of Melissa and Andrew Goldstein and grandson of Roger and Pat Todd and great grandson of Peggy Isbell) He was taken to Greenville Memorial Hospital being treated for inability to keep anything in his stomach. He is lethargic and there is danger of him becoming dehydrated. At present with the requirements only Melissa can be with him.
4. **Gary Wentzky** - He still has COVID-19, but all his other health issues have pretty much cleared up. He was moved back to NHC Wednesday, July 1, and will be quarantined until he shows that he is negative for the coronavirus. Understandably it has been hard on him in not being able to see his family. The most uplifting thing for him has been to see his grandbabies through facetime (Naomi's daughter and Cana's son). Pray for the family as they work through what his care will be going forward.
5. **Robert Graham** (Mike's brother) He is on an experimental medicine. He is home, but he's still weak.
6. **Sarah Williams** - Her legs hurt badly and she is sick enough that it makes it hard for her to continue to receive the injections she needs to receive: she did, however, go for her injection this week.
7. **Eleanor Hipp** - She fell Saturday, May 30, and broke her right arm. She saw the orthopedic doctor this week and her arm is healing so she won't need surgery. She is to start physical therapy next week.
8. **Mike Graham** - Given what he has been through, it very positive to be able to report his biggest problem is getting around.
9. **Neil Burton** (Claridge Norryce's sister) She's out of ICU but still in the hospital.
10. **Thomas Whitmire** (Sarah Williams' brother) He is still battling the COVID-19 virus and is at home by himself and not feeling well. Please pray for him.
11. **Dave Menzel** (son-in-law of Mary McMichael) He recently had a stent put in and is about to start chemo again for his cancer.
12. **Casey Menzel** (24-year-old granddaughter of Mary McMichael) She has down syndrome and the interruption of her adult day care schedule by the coronavirus circumstances has been very hard not only on her but also on her parents as they try to take care of her.
13. **Sue McKee** - She is having trouble with her arm and leg and is hardly able to walk at times. Her hand has gotten worse so that she is unable to close it.
14. **Martha Poore** (mother of Donna Hammond and Amanda Vancil) Her problem with her legs has not improved, but they are continuing to try to get her into NHC
15. **David Patterson -** He had two biopsies on his lung. There was no sign of cancer from these. However, he is experiencing what the doctor is calling lung paralysis so they are waiting to see what the doctor wants to do next.
16. **Judy Burdette** – He has been admitted to the hospital again.
17. **Johnny Simpson** – He had a TIA last week. Now waiting to see a doctor. He is at home.
18. **Tommy Dickson** (brother of Rev. Mark Dickson, Grace Baptist Church) – Has mesothelioma and a large tumor in his lung which cannot be removed Chemo will begin next week that hopefully can increase his life expectance to 20 – 24 months.
