Thanking All Veterans

In this month in which our attention is focused upon Thanksgiving, let us remember not only to thank God but also to express our thanksgiving to all the veterans for their service on behalf of our country. Our country observes Veterans Day on November 11.

Love Needed in these Tumultuous Times

Pray that we would see each other through Jesus' eyes. It's not easy to love people who seem to insult us or our beliefs. Jesus' call to love makes no exception for the season our country is going through now. Pray for a new movement of collaboration and respect in our nation's capital and throughout the country. Pray for yourself and the rest of God's people to lead by example with radical, world-changing love.
