Carpet Replacement in Worship Center
Sometime next Month

I remember 34 years ago this coming March when we moved into the worship center. That date, of course, also marks the time when the carpet was installed as well. We are grateful to have gotten as many years of use out of the carpet as we have; however, as many of you have noticed of late, the carpet in the worship center has many places that are buckled, and this makes it a health hazard. What you may not know though is that to address this problem in the past, it has had to be stretched and cut so many times that that solution is no longer an option. The carpet is old and loose, and you can only glue it back down so many times.

The house and grounds committee has again been on top of this and has been in touch with other church leadership. Having done all that can be done with our present carpet, the house and grounds committee checked with several carpet companies before deciding on the one to use for the job of replacing the carpet in the worship center. The job will be able to be done in one week between the times we meet for Sunday worship. We expect the work to be done some time during this month of February.

As we did when it became necessary to replace the air condition units, we want to again give the opportunity for people to contribute to the purchase and installation of this new carpet. If you desire to do this, please make out your check to Pleasant View Baptist Church with the notation on the check "for carpet." Additionally, please put the check in an envelope that is also marked "for carpet."

Serving Christ together,
Pastor Glenn

Cards of Love

As we did last year, we will again have a Valentine's mailbox in the cafe. Everyone is encouraged to leave notes of encouragement or valentine's cards for each other. A list of participating families has been emailed out to everyone for whom we have email addresses. Also, lists will be place on the church pews as well. Valentines should be placed in the mailbox in the cafe by Sunday, February 6th. If you are not able to attend church, you may drop them off at the church office any time before February 6th. Valentine bags for each family will be available for pickup after church on Sunday, February 13th. For those not attending, their bags will be delivered via porch drop off.

Sanctity of Human Life Month
Give to Anderson Pregnancy Care

This local ministry is one of the most God-honoring ministries in our community. In a day when abortion is regarded as a "logical solution" to an unplanned pregnancy, this organization's ministry is more crucial than ever. To help them financially with this ministry, make out your check to "Pleasant View Baptist Church" and put it in a offering envelope and mark it "APC". Thank you for joining God in what He is doing at Anderson Pregnancy Care.
