No Church Services on Christmas Day Sunday

With Christmas Day falling on Sunday this year, we will do things differently for our last worship service going into Christmas. **Our church's last worship celebration of Christ's birth will be 6 pm Wednesday, December 21,** not Sunday, December 25. In addition to me bringing a Christmas message, we will also be singing a lot of Christmas songs. I hope this altered schedule will allow more to participate in worship than otherwise would take place on Christmas Day itself. In addition to you personally planning on coming out for this Wednesday service, I also want to encourage you to invite friends who might participate with us as well. One last thing as it relates to the change of schedule for December - in keeping with how we have done in the past, that Wednesday following Christmas, which is December 28th this year, there will not be any midweek services either.

In Christ,
Pastor Glenn
