**GLOBAL HUNGER SUNDAY
AUGUST 25, 2024**

*In order to contribute to the Global Hunger
need, you can give cash or you can make out
your check to PVBC, place it in an envelope
and mark on the envelope 'For Global Hunger'*

- More than 44 million people in the United States face hunger every day.
- Roughly one in five individuals in Venezuela struggles with hunger.
- In Mozambique, 80% of families find themselves unable to afford basic nourishment.
- Ethiopia is the third most impacted nation in the ongoing global hunger crisis.
- A staggering 6.2 million individuals in Thailand are facing the harsh reality of insufficient nutrition.
- In Ukraine, one in three families is food insecure

HUNGER DEFINED: Hunger is more than a rumble in your stomach. When people experience severe food insecurity, they endure entire days without eating due to financial limitations or a lack of access to nourishment. Hunger causes 45% of deaths in children worldwide, and rising global food prices will cause 1.5 million more children to be undernourished. Together, through prayer and action, Southern Baptists can stand as a force against global hunger.

UNDERNUTRITION: Signifies deficiencies in energy, protein and essential vitamins and mineral.

FOOD INSECURITY: The inconsistency and lack of access to safe and nutritious food.
